Director Remarks

- The expectation of band camp is to have band camp as we always do as Plan A. Plan B would look a little different with social distancing and possibly being a non-competitive band, meaning we would not be going to contest, and would probably not be doing this particular show. I will always do what is best for the health of the students. Students can continue to practice at home. There are approximately 50 incoming freshman coming into band. If student surveys are not completed the student cannot participate in band camp or show. The show is based off of Mya Angelou's-I Know Why the Caged Bird Sings. Someday I'll Fly Away is the ballad. Medical will check temperatures at band camp and everything will be disinfected after students leave.
