Color Guard: We have uniforms and new equipment ordered.

Concessions: Rebecca Green has agreed to be our concessions chair. The goal is to find someone for her to train so they can replace her.

Equipment: The concession truck has been serviced and is ready to go. The percussion truck is currently being serviced, and we will take the prop truck up to CarQuest last. The trailers will be taken up to Munford Tire to have the wheels serviced and then we'll be good for traveling. We have 3 cages, but should have all 7 by the end of the week. The bases are still being constructed. Hoping to have them ready by the middle of next week.

Fundraising: We still need a fundraising chair. It could be shared between multiple people.

Hydration: If you need a replacement cooler, they are \$10.

Medical: Great day, only 2 incidents at band camp. Make sure the kids stay hydrated and eat. Bring your water cooler every day.

Merchandising: We're working on designs for blow-out. You can shop for clearance items on the online store.

Publicity: If anyone likes to take pictures, come see Tina.

- Field Update – sprinkler system is in and operational, but the ruts are not filled in yet. Sod is being delivered to cover the rest of the field. We won't use the field until August.
- We are going to line the field and the parking lot.
- The show is coming along nicely. We have 1st and 2nd movements' drill done.
- There is a lot of the show that is "traditional Munford," but there is also a lot of new techniques. I am trying to balance our traditions with the direction the sport is going.
