Treasurer's Report:

Treasurer's report was read to the boosters. No questions were asked after reading of report.

Committee Reports:

Audio/Media: We may have someone who can help, but we are looking for a booster parent to help. Talk to Mr. Stevens if you are willing to help.

Chaperone: We are looking for this position. They would coordinate the lead chaperones when we travel.

Color Guard: We have ordered flags for the show, and we are meeting next week to discuss choreography

Concessions: We will need to clean up the concession stand before open up for the season. Be on the lookout for that. We'll also need a lot of volunteers to help during the games.

Equipment: We're working on the main stage and front walls. Everything should be ready by band camp. We will need a lot of volunteers to help with equipment this season.

Fundraising: Stacey will be at the school on the 22nd from 5-6 to pick up paper form for peaches.

Hydration: We will be at the optional practices to hand out coolers. They are free for incoming students and \$10 for replacements. Students need to start hydrating now.

Medical: Eat a good breakfast. Lots of protein, no sugar. We'll send out more info closer to band camp.

Merchandising: If anyone wants to help on Friday nights with merch, we'd love to have extra help.

Publicity: Munford Band is now on Facebook, Instagram, Twitter, and TikTok.

Sponsorship: We have gotten around \$5000 in sponsorships from the letters we sent out a month ago

Uniforms: Johnna is going to need a lot of help once the uniforms arrive getting all of them fitted. We are going to be stricter with hair on the sides being neater.

Volunteer Coordinator: You can fill out the volunteer form on the website if you are interested.

Website: No updates.

Director Remarks

- We spent the last week of school putting up shelves so we could put the trophies up off the floor. The remaining trophies are in a storage building.
- We still have a few things to do to get the room where it needs to be, including expanding the color guard room.
- We are working on a show logo.
- Goal for band camp is to perform the first two movements.
- We need to get nude compression shorts for under the uniform, so we are trying to buy them in bulk which is what is causing the delay in getting the band camp forms out
- Band camp prep – kids should be drinking at least one cooler worth a day. Have them stop drinking sugary drinks now. It causes sugar spikes, which causes them to pass out. Although Gatorade can be good, water is the best.
- Thursday, July 28th we are wanting to do a nighttime dress rehearsal. Still need approval for that.
- We are going to do white t-shirts for the first week of band camp to help learn names.

Munford Band Booster Meeting Minutes

- Volunteers will also have name tags.
- If anyone is interested in helping to feed the staff during band camp, they would really appreciate it. It helps to offset some of their costs to come and help.
