## **Treasurer's Report:**

Treasurer's report was read to the boosters. No questions were asked after reading of report.

## **Committee Reports:**

**Audio/Media:** Our goal is everything miced up for Blowout

**Chaperone:** if you want to be a chaperone this year, you'll need to get a background check through the school system.

**Color Guard:** We are getting ready to sell a bunch of old stuff which is amazing. We have two big project that we need help with – painting ballad flags and cutting and painting a tarp. We are not buying unitards, but I picked a better shoe.

**Concessions:** We need to do a big cleanout of the concession stand. Be on the lookout for a cleanout date. We will need a lot of help this year on Friday nights.

**Equipment:** We finished the last ramp. Closer to band camp we will paint everything black. We got rid of the small cages. As we get closer the season there will be some maintenance on the trucks.

**Fundraising:** Car Wash date is set for August 20<sup>th</sup>. Charleston Wrap is next fundraiser but it is late in the fall. Thinking about doing something in the early fall with butter braids or cookie dough.

**Hydration:** It seemed like almost everyone had their cooler which was nice. Any help would be amazing.

**Medical:** We had kids that either didn't eat breakfast or made poor choices for breakfast. If your child needs medication during the day, they need to bring it with them and give it to one of the medical people. We will dispense it to them during the day.

**Merchandising:** we have lots of things working.

**Publicity:** We're taking lots of pictures

**Sponsorship:** there is a sponsor form on the website

**Uniforms:** We need lots of help.

**Volunteer Coordinator:** The volunteer coordinator will send out texts to help coordinate volunteers anytime we need people for events.

**Website:** No updates.

## **Director Remarks**

- Band camp was great today.
- Uniforms are here. We have everything we need to size the students.
- July 23<sup>rd</sup> – in a normal year you have a starting point for fitting students. This year we don't. So we thought it would be better to size everyone in one day. We need lots of help. At least 15-16 volunteers.
- The boosters paid for 50% of the uniforms up front and we are taking in money for the bibbers. I got word today that we got \$40,000 put in our account from the school board.
- Next week's temps are very high so we are going to push everything up 30 minutes. Start time 7:30 lunch 11:00-12:30 end 4:00.
