Director Remarks

- Disney trip went great. Special thank you to the equipment team, medical, chaperones, and Mr. Combs.
- Football – if we win this game, we will be the 1 seed and we will have everything at home for the playoffs. We have a tough district to get through. I have to make all of the football games required. There will be consequences if they do not show up. I said at the beginning to save the Friday's in November for playoffs. If we make the State championship, we will go to Chattanooga the day before the Christmas parade. We will not perform the show after bandmasters. We will perform as a pep band. Preorders are working out great. I am telling kids they have to preorder.
- On our sound board, we are out of channels. We are pricing a new sound board for next year. I will get that to the boosters for approval next month. We also want to replace the top speakers.
- Austin Peay is coming up. This will be a dry run because we are talking about going to the BoA regional there next year and they run it the same way.
- The rehearsals over the next two weeks are going to be very important. Everyone needs to be there. Don't send kids with a fever, but if they don't have a fever they need to be there.
- It's amazing how much progress we have made this year.
