- Statements were mailed tonight but some had errors so they will be re-sent. Band fees are past due. Winter Guard fees will be charged to Charms accounts and are due now.
- Update on the ongoing situation regarding 2015/16 season tax fee for late filing. We have been trying to get this resolved for years. Our taxes were not filed until February 2016 so a penalty

was assessed, however the first notice came in 2020, with interest added. Every year we and our previous CPA have attempted to resolve this to no avail. We have a new CPA this year and we have completed all the necessary paperwork and filled out an Abatement form to try and have the interest abated but we are still responsible for the penalty. We owe \$2600, but hopefully this will be reduced. It could be 45 days before we hear back. We would like to get approval to pay \$2600 to the IRS as soon as we hear back from them. The floor was opened to make a motion. Christina Cunningham made the motion, seconded by Hether Fryar. Motion passed with the majority.
